WHEREAS, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

WHEREAS, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The Shaw Scattered Sites VI Redevelopment Area (◆Area◆) consists of all of city block 4922 and part of city blocks 4921, 4923, 5310, 5311, 5312, 4944, 4943, 4930, 4925, 4917, 2113, 4927 and 4942. The Area includes the following addresses: 4000-4060, 4001-4067, 4100 and 4265 Cleveland Avenue, 3857-61, 3901, 4000-4060 and 4001-4067 Shenandoah Avenue, 2232-42 and 2306 Thurman Avenue, 4006-4176 DeTonty Street, 1819-1825 and 1816-1826 Lawrence Street, 3962-66, 4002 and 4175 Shaw Boulevard, 2334 Tower Grove Avenue, 4101-11 Magnolia Avenue and 4065 Russell Boulevard. The total Area is approximately 20 acres in the Shaw Neighborhood.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area includes one whole city block, large portions of several others, and scattered individual and smaller groups of addresses. The Area is in poor to fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1)

property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 8.5% unemployment rate for the City as of August, 1998. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently approximately 5-10 jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include residential, split-use, and commercial uses in poor to fair condition and vacant land.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are mostly residential with some commercial and split-use structures. Residential density for the surrounding neighborhoods is approximately 21.61 persons per acre.

5. CURRENT ZONING

The Area is zoned and **◆B◆** Two-Family, **◆C◆** Multiple Family, **◆D◆** Multiple-Family and "F" Neighborhood Commercial Districts pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The properties within the Area are mostly occupied and in poor to fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the use, rehabilitation and improvement of these residential, commercial, and split-use properties.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are commercial and residential uses permitted in Areas designated **2B** Two-Family Dwelling, **2C** Multiple-Family Dwelling, **2D** Multiple Family Dwelling and "F" Neighborhood Commercial Districts by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") and any other person or entity seeking an occupancy permit for a new use after the effective date of the ordinance approving the Plan shall not be permitted to use said property for the following:

pawn shops, adult bookstores, x-rated movie houses, massage parlors or health spas, auto and truck dealers (new or used), storefront churches, pinball arcades, pool halls, secondhand or junk shops, tattoo parlors, truck or other equipment rentals requiring outside storage, blood donor facilities, free standing package liquor stores, establishments selling or providing liquor and not having gross sales of at least 50% from food items at that location, exterior telephones, check cashing centers, any use, (except for financial institutions) that utilizes a sales or service window or facility for customers who are in cars, or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises, or sell products through a sales window to customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises, open storage, automobile service facilities, motor fuel pumping stations, detailing or car washes, dyeing and cleaning works, private clubs and lodges, rooming and boarding houses, utility stations, utility towers, open storage, barber, beauty and nail shops and beeper and pager shops. Exhibit **2C** (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

Zoning for the Area can remain **2B** Two-Family Dwelling, **2C** Multiple Family Dwelling, **2D** Multiple Family Dwelling and "F" Neighborhood Commercial Districts. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Comprehensive City Plan" (1947), the "St. Louis Development Program" (1973), and the "Economic Development Strategy" (1978). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

Approximately 5-10 permanent new jobs will be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Heritage and Urban Design Commission of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN

a. Urban Design Objectives

The properties shall be rehabilitated so they are attractive residential and commercial structures within the surrounding neighborhood. The vacant land and unoccupied buildings in the 4100 block of DeTonty Street may be respectively held and demolished for permanent greenspace or to permit new construction. Alternately, the existing parcels in said block may be rehabilitated.

b. Urban Design Regulations

Rehabilitation of the existing structures shall respect the original exteriors in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the building.

c. Landscaping

The properties shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, where feasible. Yards and tree lawns shall be deweeded and regrassed.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including HUDC standards. This will provide adequate vehicular parking for the Area.

Surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity. Ornamental trees shall be interspersed within the hedge rows on a staggered alignment with the perimeter street trees. Three percent (3%) of the interior of all parking lots containing more than twenty-five (25) spaces shall be landscaped with trees, at least two and one-half (2-1/2) inch caliper in size on planting. The trees shall be planted on islands, the largest dimension of which shall be at least five (5) feet, planted on low lying ground cover or other plant material.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, HUDC stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

New wall signs shall not obstruct any architectural building elements, shall be placed only those sides of buildings fronting on public or private streets, shall project no more than eighteen (18) inches from the face of the building, shall not extend above the second floor window sill of the structure, and the total sign area shall be the lesser of either fifty (50) square feet or ten percent (10%) of the ground floor wall surface fronting on such streets. Only one sign per

business per wall facing on a public or private street shall be permitted. In addition, one identification sign up to ten (10) sq. ft. in size may be placed on a wall facing a parking area or open space, provided the LCRA confirms that such a sign is required.

Canvas awnings with signs are permitted, provided they are compatible with the overall design and architectural details of the building upon which they are to be placed. Signage on awnings is limited to awning valance. In no case shall signage be allowed on both an awning valance and a building for the same business.

One ground or monument sign per use may be permitted provided it does not exceed six (6) feet in height nor exceed thirty (30) square feet per side, and provided the LCRA confirms that such a sign is required based upon the use, location or siting of the structure.

Painted wall signs, roof signs, pole signs, moving signs, animated or flashing signs, or permanent or portable message board signs shall not be permitted in the Area, and no regular or mini billboards (free standing or mounted on structures) shall be erected or maintained in the Area

11. BUILDING, CONDITIONAL USE, OCCUPANCY AND SIGN PERMITS

No building, conditional use, occupancy or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately fifteen (15) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper. Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may acquire no property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (1986) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the area is currently partially occupied. All eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper shall hereby be entitled to ad valorem tax abatement benefits for a period not to exceed ten (10) years from the commencement of such tax abatement. A Redeveloper may seek such tax abatement pursuant to Sections 99.700 -99.715, Revised Statutes of Missouri, upon application as provided therein.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporations shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be alien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the Community Development Agency Guidelines for Maximum Utilization of Minority Enterprises dated January 1, 1981, as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof. All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. EQUAL OPPORTUNITY AND NONDISCRIMINATION GUIDELINES

In any contract for work in connection with the redevelopment of any property in the Area, the Redeveloper (which term shall include Redeveloper, any designees, successors and assigns thereof, and any entity formed to implement the project of which the Redeveloper is a general partner), its contractors and subcontractors will include a clause requiring compliance with all federal, state and local laws, ordinances, or regulations governing equal opportunity and nondiscrimination, the Executive Order of the Mayor of the City dated July 24, 1997 and all guidelines herein.

The Redeveloper and its contractor will not contract or subcontract with any party known to have been found in violation of any such laws, ordinances, regulations or these guidelines.

In the redevelopment of the Area, there shall be maximum utilization of bona fide minority business enterprises ("MBE's") and women business enterprises ("WBE's" and, together with MBE's, "disadvantaged business enterprises" or "DBE's"). The Redeveloper will set a minimum goal of twenty-five percent (25%) MBE participation and five percent (5%) WBE participation under these guidelines. In the event the Redeveloper fails to attain that goal, the Redeveloper may be required to show good cause therefor; provided however, that this requirement will be deemed to have been met when documentation evidences that all available resources (i.e. DBE suppliers, contractors, and subcontractors) willing to perform the work or provide the supplies--at a price which (i) is within the range requested by non-DBE's; or (ii) if higher than that requested by non-DBE's, is attributable to the effects of past discrimination--have been exhausted.

The term MBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by minority group members who have at least fifty-one percent (51%) ownership. The minority group member(s)

must have operational and management control and interest in capital and earnings commensurate with their percentage of ownership. The term Minority Group Member(s) shall mean persons legally residing in the United States who are Black, Hispanic, Native American (American Indian, Eskimo, Aleut or Native Hawaiian), Asian Pacific American (persons with origins from Japan, China, the Philippines, Vietnam, Korea, Samoa, Guam, U.S. Trust Territory of the Pacific Islands, Laos, Cambodia or Taiwan) or Asian Indian American (persons with origins from India, Pakistan or Bangladesh). The term WBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by a woman or women who have at least fifty-one percent (51%) ownership. The woman or women must have operational and managerial control and interest in capital and earnings commensurate with their percentage of ownership.

The Redeveloper agrees for itself and its successors and assigns, that there shall be covenants to ensure that there shall be no discrimination on the part of the Redeveloper, its successors or assigns upon the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of any property, or any Improvements erected or to be erected in the Area or any part thereof, and those covenants shall run with the land and shall be enforceable by the LCRA, the City, and the United States of America, as their interests may appear in the project.

The Redeveloper agrees that if the redevelopment of the Area creates permanent jobs, it shall enter into an Employment Plan with the Saint Louis Agency on Training and Employment and the LCRA for referral of Jobs Training Partnership Act eligible individuals. Said plan shall specify the number of jobs to be covered by the Employment Plan, the target date for referrals to begin, and the procedure for referral.
